

Welcome to the Wrocław Tech Library

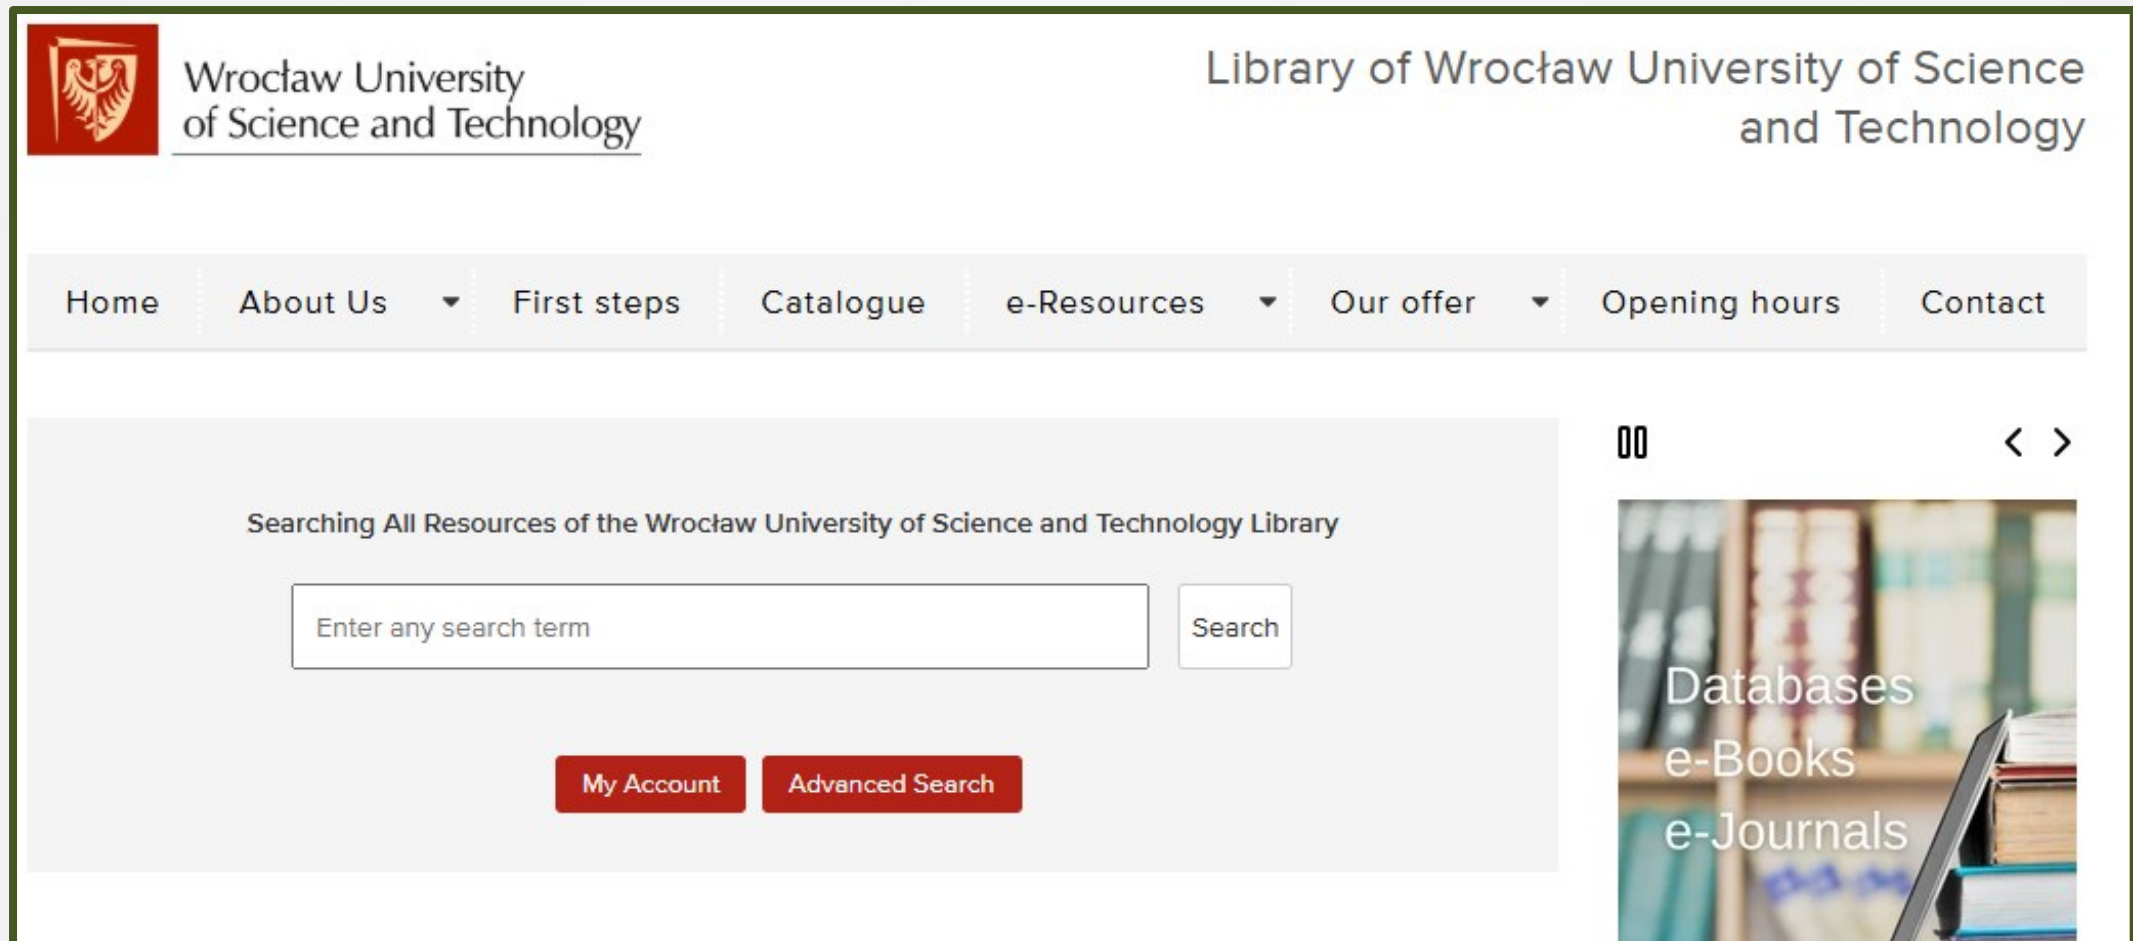

All Wrocław Tech students are welcome to our campus libraries. Here you can find a wide selection of books, as well as digital resources such e-books, e-journals, databases, and other online materials.

We also offer you trainings, individual study rooms and exhibitions.

Our friendly staff are here for you - both digitally and physically.

About Primo

Primo provides simple and simultaneous search of many information resources, incl. the content of library catalogs and electronic resources available in the Library.

Primo offers the following possibilities:

- localization and ordering of printed copies;
- requesting a scan of the materials available in the library;
- booking individual study rooms;
- library account management;
- linking to the full text of the document;
- saving and exporting collected data.

Order and collect your books

Log in and search for a book

- where (in which library) books are available;
- books available on site and for loan;

Place an order

- order through the catalog (Primo);

Collect your book

- pick up the book at the library indicated in the order;
- books from open access*;

* only in selected libraries

e-Resources

databases, e-Books, e-Journals

e-Resources

biblioteka.pwr.edu.pl/en/e-resources

VPN – off campus access

Supports most paid full-text services (e-books and e-journals) and databases.

Open access

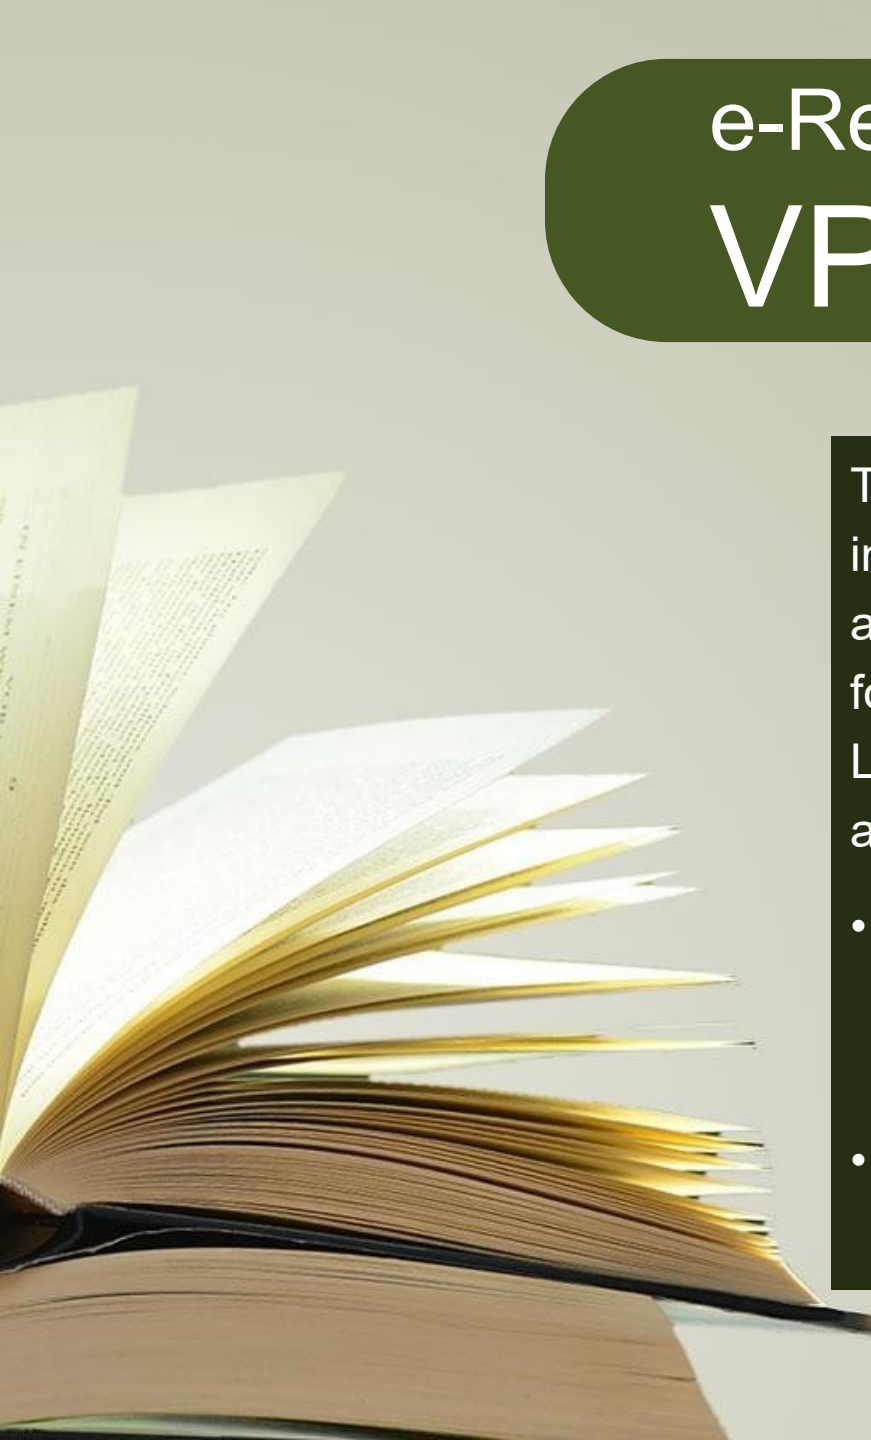

Resources available to everyone.

Wrocław Tech network

Access to electronic resources for registered users.

Access to digital versions of textbooks from the collections of the Wrocław Tech Library (selected terminals in the Open Study Zone and Reading Room in building D-21).

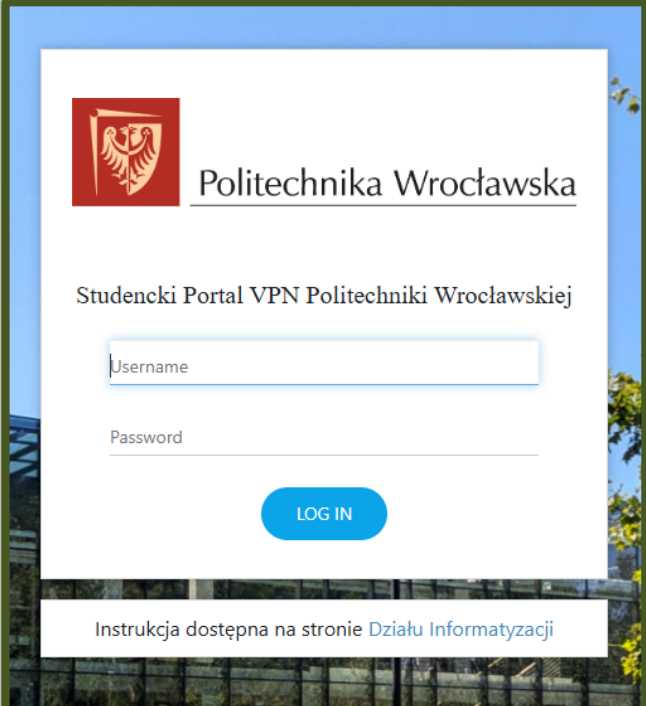

e-Resources

VPN – off campus access

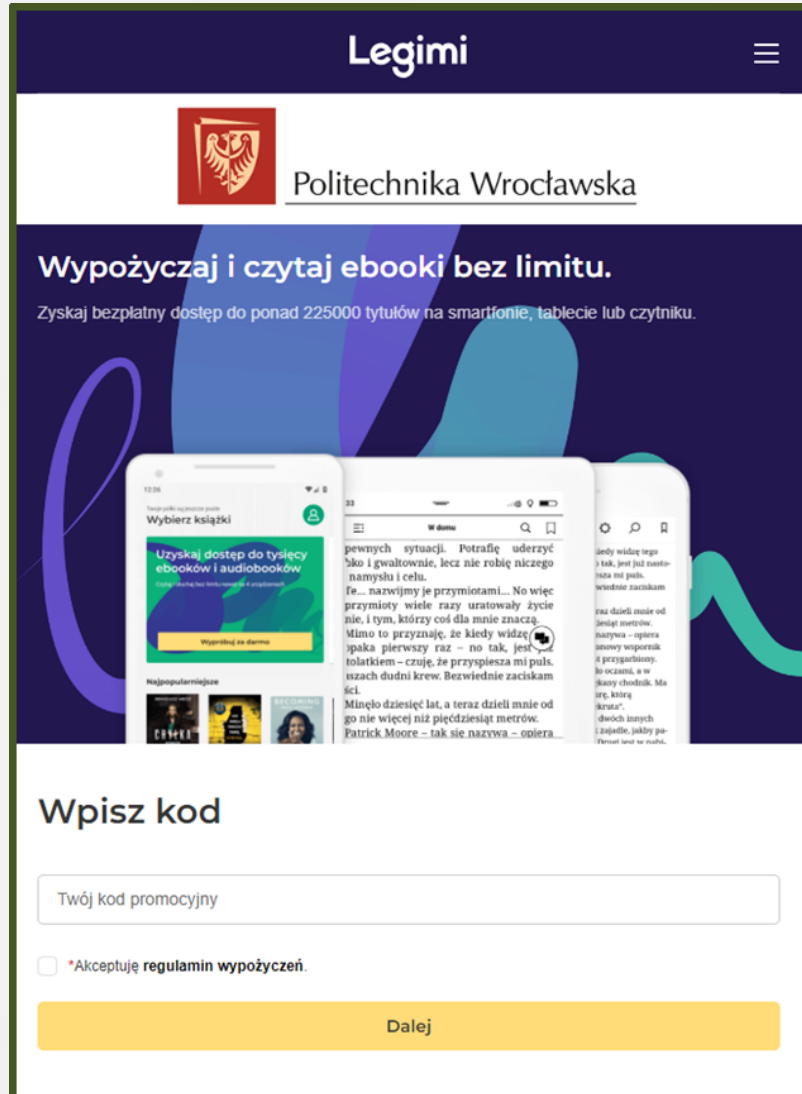

To use the VPN service, you must install the Palo Alto GlobalProtect application, which can be downloaded following [IT department guidelines](#). Log in with an Active Directory account.

- Active Directory login (without the @pwr.edu.pl / @student.pwr.edu.pl domain suffix)
- individual user password set in the AD system.

The screenshot shows a web portal for Politechnika Wroclawska. At the top left is the university's red shield logo. To its right is the text "Politechnika Wroclawska". Below this, the text "Studencki Portal VPN Politechniki Wroclawskiej" is displayed. There are two input fields: "Username" and "Password". Below the password field is a blue "LOG IN" button. At the bottom of the form, a link is provided: "Instrukcja dostępna na stronie [Działu Informatyzacji](#)". The entire form is set against a background image of a building and trees.

FICTION

LEGIMI

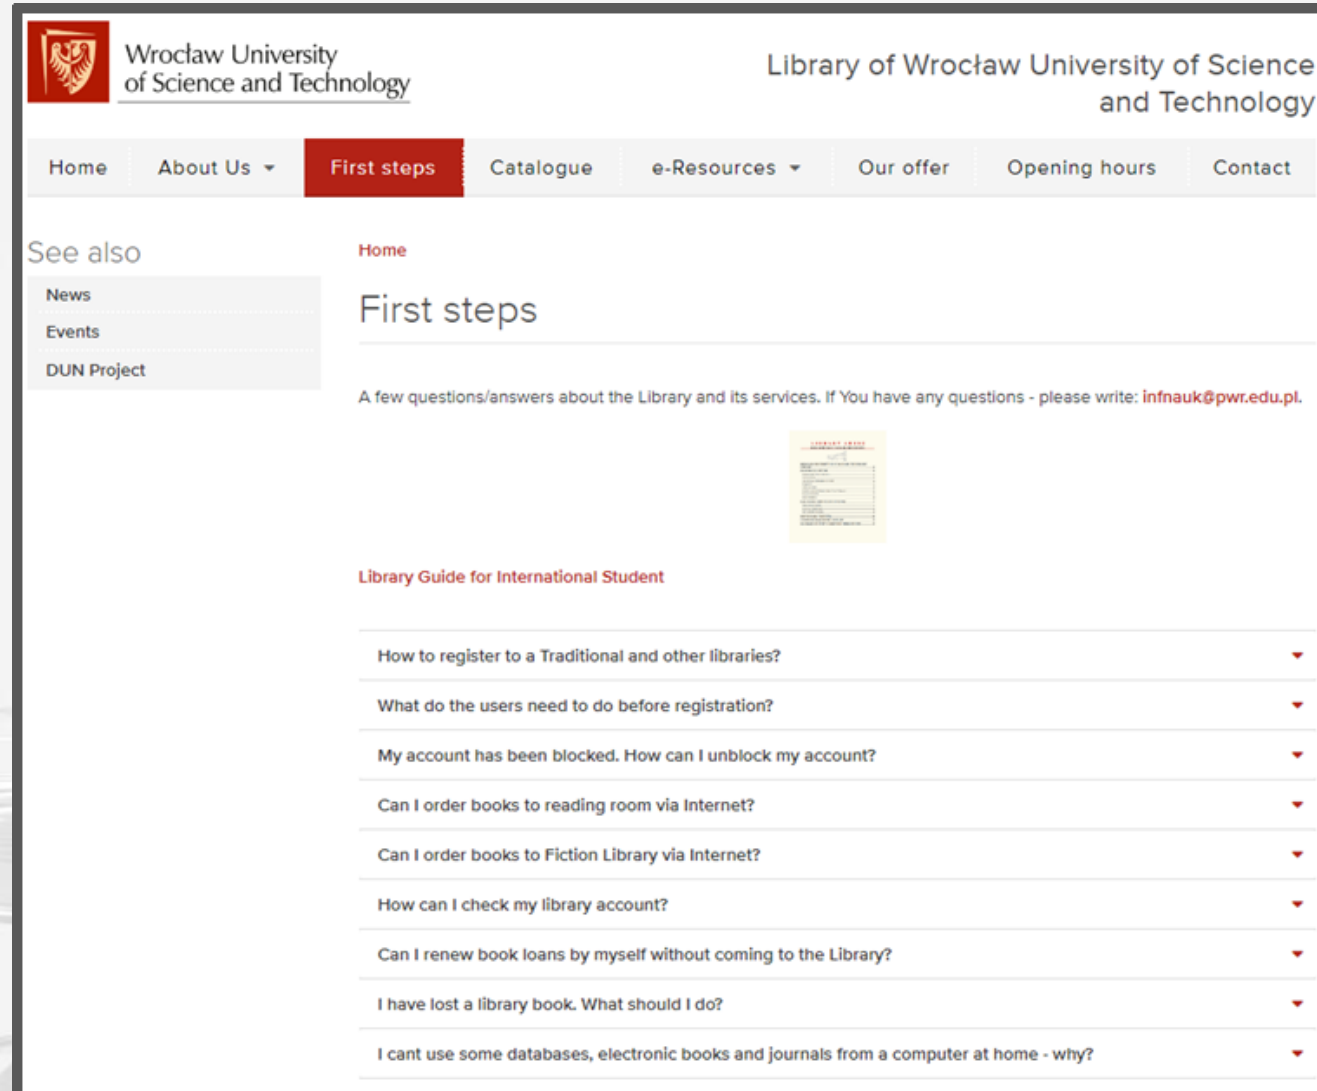

- over 60 000 fiction e-books and audiobooks (mainly in Polish)
- to receive legimi code you must be registered at the University Library

Fiction Library (building D-21, room 007)

Branch library of the Department of Foreign Languages (building H-4, room 514)

DETAILED GUIDE HOW TO USE THE LIBRARY

biblioteka.pwr.edu.pl/en/first-steps

The screenshot shows the 'First steps' page of the Wrocław University of Science and Technology Library. The header includes the university logo and name, and the library's name. A navigation bar contains links: Home, About Us, First steps (highlighted), Catalogue, e-Resources, Our offer, Opening hours, and Contact. On the left, a 'See also' sidebar lists News, Events, and DUN Project. The main content area is titled 'First steps' and includes a paragraph about asking questions via email. Below this is a 'Library Guide for International Student' section with a list of frequently asked questions, each with a dropdown arrow.
